WORK EXPERIENCE

MERN DEVELOPER Full-Timer

Jan 2023 – Now

Serhan & Sons: Jewelry Manufacturing

Beirut, Lebanon

- Worked with stakeholders to determine requirements and, in accordance with the business strategy, created a comprehensive MongoDB database structure.
- Implemented a robust and effective Node.js API to enable easy interaction with as many other systems possible.
- Developed and implemented a user-friendly administrative interface with Next.js that is integrated with the main stock to manage client relations and balances. Checking, creating, editing, and deleting client invoices and payments is feasible, along with all the other functionalities needed by the business.
- The dashboard and API have both adopted full JWT authentication to offer the best possible data protection.

WordPress Developer Part-Timer

Sep 2023 – Feb 2024

Double Seven Agency: Digital Marketing Services

Remote, Jeddah, Saudi Arabia

- Enhanced website functionalities by developing custom Elementor widgets using PHP, JavaScript, and HTML.
- Streamlined electronic transactions by integrating the Nafath API into websites to ensure compliance with laws.
- Developed real estate, travel tourism, event management, architect, and marketing websites using WordPress.
- Contributed to meeting client expectations by participating in online calls to gather accurate requirements.
- Migrated multiple websites, including hosting, domain names, and over 100GB of email data.

WordPress Developer Freelancer

Aug 2022 – May 2023

Blue-Boost: Digital Marketing Services

Remote, Beirut, Lebanon

- Boosted company profitability by developing 4 e-commerce websites and customizing 6 others, including amendments and adding new features using contact form 7, booking appointment plugins, and Elementor Pro.
- Enabled secure online transactions by integrating PayPal and Stripe payment gateways into 3 websites.
- Maintained data and security by performing monthly backups and security checks for 10 websites.

WordPress Developer Part-Timer

Jan 2021 – Aug 2022

Scandster: Digital Marketing Services

Remote, Beirut, Lebanon

- Crafted academic, marketing, and marble company websites from start to finish, and amended other websites.

WordPress Developer Part-Timer

Feb 2020 – Jul 2022

Rise Holding Group: Consulting, Education, and Technology Services

Remote, Toronto, Canada

- Created 4 e-commerce websites by collaborating with a team of 7 developers from different countries, gathering client requirements, optimizing SEO, and writing codes to sort and rename a huge number of images.
